

PROGRAM ADVISEMENT FORM: CHEMISTRY BS:

Name: _____ ID #: _____ YEAR: _____

This form, together with the student's transcript, is used to determine whether or not all graduation requirements have been met. Although the student and the advisor share the responsibility of assessing the student's progress toward the degree, the principal obligation of consulting with the advisor and understanding and fulfilling the degree requirements lies with the student. The academic advisor only assists the student in making the decisions which are part of the student's formal education. Candidates must maintain a minimum cumulative GPA of 2.0 in all core & cognates to remain a chemistry major.
