You are GOLD: Graduates Of the Last Decade

What does that mean, you ask?

Well . . . The GOLD program is part of the Oswego Alumni Association.

The GOLD program strives to increase event attendance, volunteerism and giving among SUNY Oswego alumni of the last 10 years.

Our goal is to inform and increase awareness of college news, services and needs through communications.

Most importantly, we want you to know you are a valued member of the Oswego family ... you are GOLD.
