Community Open Skate

Fulton Youth Hockey hosts a Community Open Skate most Friday and Saturday evenings from November through March at the Fulton Ice Rink. You would be expected to perform one of three tasks: 1) work the door collecting money, 2) work the skate room handing out and collecting rental skates, or 3) work the snack bar. Open Skate hours are 7-9pm; you should plan to arrive 15 min before and expect to stay 15 min after. We would welcome up to three volunteers per night, and you would receive 2.5 hours of service. Transportation is not provided.

For additional information or to sign up, contact Heather Crook at hcrook@oswego.edu. The first Open Skate weekend is Nov 2-3.

Personal Care Bags

Emily Bradshaw, a 12 year old living in the Oswego Community, has noticed a need for a homeless shelter in the City of Oswego. She is working to raise awareness about this issue and is currently working with Gregg Heffner, Commissioner of Social Services and Diane Cooper-Currier, Director of OCO. She is starting to collect personal care items to start creating some personal care bags for people who need them. She is asking for people to donate bar soap, shampoo, conditioner, lotion, razors, toothbrushes, toothpaste, baby powder, deodorant, tear-free baby shampoo, combs, band aids and gallon sized Ziploc bags. Please bring these items to the Compass and we will get them to Emily. If you have any questions please email service@oswego.edu.

Toilet Talk

Toilet Talk will be ready to be handed to volunteers every Thursday afternoon by 1 p.m. Volunteers should pick up toilet talk between 1 pm and 3 pm and they will be assigned to a building. Each building will give them approximately 1 hour of community service. Contact Michael Goodman at 312-5648 (office) or mgoodma2@oswego.edu with any questions.
