Student Life - Getting Involved

There are many opportunities to get involved on campus and meet people while the student is attending SUNY Oswego. It doesn't matter if the student is a commuter or a residential student, there are many ways to be an active member in the campus community.

Students who live in a Residence Hall can become involved in Hall Council and a variety of programs provided by Residence Life Staff.

Students who live on or off campus can get involved in one or more of SUNY Oswego's 150 + registered student organizations that are part of one of the following categories:

- Academic
- Arts: Appreciation, Expression & Performance
- Club Sports
- Community Service
- Cultural
- Governance
- Greek Life
- Media & Publications
- Religious
- Special Interest
