Are you interested in making our campus a more environmentally sustainable place to live?

Be An Eco Rep!

Would you love to learn more about being a sustainable member of your community and be able share that information with others?

Would you love to be proactive on our campus and help make steps toward becoming carbon-neutral?

Sign up for SUS 101 and become an Eco Rep for our campus today! This one credit course will help you learn more about what sustainability is, how you – and your fellow students – can make a real and significant impact daily and allow your skills as a natural leader to shine!

For more information or to sign up to be an Eco Rep on campus:
contact Jamie Adams, Sustainability Program Coordinator at - jamie.adams@oswego.edu
OR contact Lisa Glidden, Sustainability Minor Coordinator at - lisa.glidden@oswego.edu
