Introduction

The State University of New York at Oswego Campus Recreation is a division of the Department of Campus Life that provides a variety of fun-filled, health promoting, physical and recreational activities conducive to wellness and personal growth. The division provides programs and services in the area of intramural sports, open recreation, sport clubs, special events, equipment check out, reservation of facilities and instructional programs. This Handbook contains information regarding all programs, services, and policies of Campus Recreation.

Department of Campus Life Mission and Core Values

The department of Campus Life engages students in out of class experiences through involvement in student organizations, recreational programs and leadership development that allows students to develop and maximize skills and competencies which will give them a comparative advantage upon graduation. In addition, the department of Campus Life coordinates event services for campus partners and external organizations so they may achieve programmatic success and in support of our public mission.

The department values and strives to sustain a vibrant, caring and just learning community. To that end, each individual member of our community commits to:
• respecting the unique strengths and experiences of ourselves and others, our creativity, and our desire to learn;
• understanding that our learning is enhanced through inquiry, exploration, practice and reflection;
• engaging in personal endeavors and collective activities that benefit our campus and community, enrich our educational experience, and broaden our understanding of the diversity and commonality of our shared human experiences.

Campus Recreation

In support of a vibrant university community, Campus Recreation provides intramural sports, sport clubs, open recreation, aquatics and services to students, faculty and staff. The recreational activities foster personal growth, promote health and wellness, and encourage social interaction in our diverse university community. Through participation it is hoped that the individual will develop worthy use of leisure time and a positive perspective on physical and recreational activities that will follow them in life. In addition, Campus Recreation offers employment opportunities to students that will promote valuable leadership, management and programming skills that will enhance their college educational experience.

Campus Recreation Facilities

Any campus organization, residence hall, or department may reserve the campus recreation facilities for campus related programs. To reserve the facilities a reservation form provided on the Campus Recreation website must be completed and submitted two weeks before the event. There are no guarantees that the requested facility will be available, but all attempts will be made to secure a suitable space. Please note that some fees and insurance requirements may be involved with the use of facilities for events, services, hours, and staff. Also some sporting events may require certified sports officials and a meeting with the Assistant Director of Campus Recreation to assure a safe event. Please note that the Campus Recreation programs take precedence over all outside events and the gym may not be available. However, we will make every attempt to try to assist you with alternate times and dates when possible. For more information, contact the Campus Recreation office at Lee Hall (312-3114).

All facilities listed may be reserved for campus groups if space is available. You may reserve the space on line at www.oswego.edu/campusrec

**Guest Policy**

Students, faculty and staff with a valid SUNY Oswego ID are permitted to invite one guest to use Lee Hall for Open Recreation. All participants are responsible for their guests and must accompany them at all times while in the facilities. In addition please make sure your guest is aware of the Regulations and Procedures for Maintaining Public Order on Campus for the State University of New York. You may refer to the section of the student handbook for further details. There is a $3.00 guest charge to use the Campus Recreation facilities and there may also be a required fee for some special programs, services, and summer use.

Please adhere to the following procedures for access to Campus Recreation Facilities:

1. Any student, faculty, or staff possessing a valid SUNY Oswego ID may use the facilities.

2. Any spouse/partner or dependent of a student, faculty or staff member who is 18 years or older may sign up at Lee Hall on a family guest list to utilize the facility.

3. Any family member of a student may use the facilities for free.
4. Any dependent or family member of a student, faculty, or staff under the age of 18 may utilize the facilities and services as long as they are accompanied at all times by their parent or guardian. There are no exceptions.

5. Any student, faculty, or staff member with a valid SUNY Oswego ID may bring one guest over the age of 18 in at a time by registering them at the front desk when they arrive. Every guest must pay a $3.00 fee to use the recreation facilities. You may pay at Lee Hall or Swetman front desk. The sponsor must know the guest and accompany them at all times when in the building. The sponsor is responsible for their guest at all times.

6. Any alumni possessing an appropriate Oswego Alumni Recreation ID card and their spouse/partner or dependent may use the facilities. Alumni may not bring guests other than their spouse/partner or dependent.

7. Any cooperative house teacher possessing an appropriate SUNY Oswego ID card may use the facilities. Cooperative host teachers may not bring guests.

**Equipment Check Out**

A variety of sports equipment is available for students, faculty and staff to check out at the Lee Hall front desk. All individuals must have a valid Oswego State ID to check out the equipment. The ID card will remain at Lee Hall until all equipment is returned in the condition it was checked out. It is the borrower’s responsibility to examine all equipment before using it and notify the front desk immediately if you see a problem. All damaged, lost, or stolen equipment is the sole responsibility of the person who left their ID for the equipment check out. The borrower will reimburse Campus Recreation for the replacement cost of the equipment if an incident occurs. The borrower’s ID will not be returned until the replacement cost is collected. All equipment should be returned within 24 hours of the borrowed date or immediately following the event. Please note that Campus Recreation cannot be held liable for any damages to the equipment, property or any injuries resulting from the misuse of the equipment. Campus Recreation is always willing to add items for check out upon request. Contact X3114 for further information.

**Campus Recreation Intramural Sports**

The Intramural Sports Program is designed to accommodate all skill levels and to meet the recreational interests of the Campus Community. All current students, faculty, and staff are eligible to participate in the programs. No guest or alumni may participate in Intramural sports. Please refer to the eligibility policies.

**How to enter:**
All intramural participants will be required to create an account on IMLeagues.com. Participants can create or join a team for the intramural sport they wish to play. Participants can create a team as a captain, join an existing team, or sign up as a free agent. Please refer to the Registration Guide on the [intramurals website](#) for additional instructions.

**Captain's Meeting:**
There is a captain's meeting scheduled before every intramural sport league or tournament. It is mandatory for every registered team to have a representative at each meeting to assure game status. If a representative does not attend the meeting the team will not be placed in the league or tournament. All Free Agents are also required to attend the captain’s meeting to be placed on a team. Dates and times of meetings are listed on the sport information flyer.

**Campus Recreation Intramural Sports Program and Eligibility Policies**

**Program Policies:**
The following policies have been established to provide the best participation conditions for State University of New York at Oswego students, faculty, and staff. It is the responsibility of every intramural participant to be familiar with these policies and to adhere to them. These policies will be published and made available to every participant at the beginning of the fall semester, at the captain’s meetings and online at the Campus Recreation website. Additional copies will be available at the Campus Recreation Office in Lee Hall.

**Captain and player responsibilities:**
Along with the Intramural Program and Eligibility Policies it is both the team captain’s and the player’s responsibility to read and adhere to the policies of the State University of New York at Oswego Student Handbook.

**Definition of Terms:**
*Individual Sports* - those activities in which a single person may perform the entire activity without teammates.
*Dual Sports* - those activities in which people compete in doubles competition with one other person.
*Team Sports* - those activities requiring three or more people in which members participate as an integral unit.
*Parallel Sports* - sports that are similar in nature. Examples: Softball-Baseball, Floor Hockey-Ice Hockey
*Forfeit Fine*: A $20 charge to a team captain after a team forfeits a game.

**Game Schedules and Tournament Structure:**
Intramural sport schedules will be available within 48 hours after the captain’s meeting. It is the responsibility of the team’s captain and players to check the schedule or the imleagues website for information about the first game and league schedule. It not the responsibility of Campus Recreation to make phone calls to team captains. During regular season sport leagues a round robin structure will be used in each division whenever possible. In a tournament a single or double elimination format will be used. Tournament structure may be changed when it becomes necessary to accommodate special circumstances. The format for the playoff tournament will be single elimination for qualifying teams. Qualifying teams will be determined at the end of regular season play by using the playoff criteria and facility/time availability.

**Playoff Criteria and Tie Breaking Procedures**
Players must be listed on a team’s official imleagues roster to be eligible for playoffs.

Criteria:
1. Teams must have an average of at least a 2.5 sportsmanship rating to qualify for the playoffs and must maintain the 2.5 rating throughout the playoff tournament.

2. Intramural final win/loss standings and/or the point system for the sports.
   Win = 2 points   Win by Forfeit = 1.5 points   Tie = 1 points   Loss = 0 points

Tie Breaking:
1. Head to head competition.
2. Sportsmanship Rating.
3. Point difference with all opponents.
4. Total points in league play.

**Rescheduling:**
A request for rescheduling must be made to the Campus Recreation Intramural Staff within 48 hours of the time the league, tournament, or playoff schedule is published. Rescheduling requests will be honored if (1) There is a conflict with the captain’s time preferences submitted on imleagues.com prior to the league schedule being published or (2) there are open playing times in the master schedule and both team captains can agree to a new playing time. If a rescheduling request cannot be accommodated in the second scenario, then the requesting team will receive a loss by default. Each team is limited to one loss by default per season. All possible attempts will be made to reschedule games canceled due to inclement weather.

**Inclement Weather:**
The Intramural Staff makes decisions concerning the postponement of games due to inclement weather no later than 2 p.m. weekdays or 11 a.m. weekends. Captains should check imleagues.com or call the Campus Recreation Office at x3114 after 2 p.m. weekdays or 11 a.m. on weekends to check for game cancellations and rescheduled games. It is the responsibility of all team captains to notify their players of inclement weather decisions and any rescheduled games. Please inform your players to check imleagues.com or call the captain for game cancellations, not Campus Recreation. If a lightning storm is to occur before or during an outdoor event, intramural play will be suspended for half an hour after the last lightning is seen or thunder is heard.

**Awards:**
The winners of league playoffs, weekend tournaments, and one-day tournaments will receive Intramural Champion T-shirts for that activity. There may also be opportunities for individuals and/or teams to attend regional and/or national extramural championship competitions.

**Eligibility:**
All State University of New York at Oswego students who are registered for classes, and are in good disciplinary and financial standing with Campus Recreation are eligible for all intramural activities during that semester.

1. All students, faculty and staff of State University of New York at Oswego are eligible to participate in all intramural activities.
2. A varsity and/or junior varsity athlete listed on an athletic roster or participating in varsity or junior varsity workouts during the current academic year may not participate in Intramurals in the respective or parallel sport.
3. A former varsity and/or junior varsity squad member may participate in Intramurals in that sport after meeting the following requirements:
   a) He/she has sat out a full intramural year or two full semesters after their last varsity season.
   b) Teams are limited to one former varsity player.
4. Club Sport members are eligible for participation in the respective or parallel sport, but will be limited to one current club member per intramural team.
5. Club Sport members are eligible for the respective or parallel sport for Individual/Dual Intramural Sports. “Doubles” teams are limited to one club member.
6. Teams rosters are allowed one former varsity player OR one current club member.
7. A faculty or staff member is eligible to participate on a student team, as long as they fulfill all criteria for intramural participation.
8. No dependents, guests, or alumni are permitted to participate in intramural sports.
9. No former professional athletes may compete in their respective or parallel sport.

**Eligibility Sanctions:**
1. Any player who is found ineligible will cause his/her team to default each game in which he/she has played in illegally.
2. Individuals may play for one women’s or men’s team and one corec team. If there are no women’s leagues women are eligible to play on a men’s team.
3. A player is considered a legal member of the team for which he/she first plays on.
4. A player who misrepresents him/herself will be declared ineligible to participate in that game. The team involved will default the game and the player will be banned from further competition. If a member of the team knowingly permitted such representation, the entire team shall face expulsion from that sport.
5. A player whose team has been eliminated from further competition for any reason is ineligible to participate for another team. However, if a team drops before its first scheduled game, or forfeits its first game and then drops, the players on that team may participate for another team.

**Rosters:**
1. All participants of Intramural Sports must be registered our Campus Recreation online registration and scheduling software managed at imleagues.com. All team members must register at imleagues.com to be added onto the official team roster in order to participate in all Intramural Sports.
2. Individuals may be added to temporary roster at game time during the regular season, provided they meet all eligibility requirements and show the supervisor a valid SUNY Oswego ID card. Players added to a team’s temporary roster will be added to their team’s official imleagues roster unless they have not created an imleagues account. If the player does not have an imleagues account it will be the players responsibility to add themselves and will not be permitted to participate in the playoffs unless they are on the team’s imleagues roster and appear on the official game score sheet.

3. All sport teams will follow a limited roster policy. The limit is ten players for basketball, four players on 3 on 3 basketball, and fifteen players for all other intramural team sports. Teams may add eligible players to their imleagues roster until the start of their last regular season game, as long as they have not already played for another team. For tournaments, players may only be added up until the start of their first played game.

4. All Intramural activities require each player to present a valid State University of New York at Oswego ID card to the game official before play begins.

Forfeits and Losses by Default

The Campus Recreation Intramural program prides itself on providing quality leagues and tournaments that are accommodating to our students, faculty, and staff. We value that participants have extremely busy schedules and work diligently to schedule games around team captain’s time preferences recorded on their imleagues account.

The number of forfeits recorded each year has been costly and may compromise the quality of your intramural leagues. Teams and staff become discouraged when games are not played as a result of a forfeit. Research conducted by the Campus Recreation Student Advisory Council concluded that a forfeit fine will reduce the number of team forfeits and recover some of the expenses of paying intramural staff during a forfeit.

1. The team captain has 48 hours from the time the league schedule is published to contact the intramural staff and address any scheduling conflicts.

2. If one team cannot field enough players by the scheduled game time then a forfeit is declared unless the opposing team captain or designee approves a 10 minute extension and a shortened game time before a forfeit is declared. All decisions to approve or decline a 10 minute extension may not be protested.

3. A team will be fined $20 for a forfeit during any team league or tournament. If the fine is not paid in full to the Campus Recreation office at 101 Lee Hall by 4 p.m. of the following day, then the team captain’s student account will be charged for the $20 forfeit fine. If a team does not contact Campus Recreation requesting to be removed from the league or tournament after the first forfeit and the same team forfeits for a second time, then the team captain’s student account will be charged an additional $20 forfeit fine and automatically be disqualified from the league or tournament.

4. Any individual or team may be charged with a loss by default for unsportsmanlike conduct.

5. If both teams cannot field the minimum number of players by 10 minutes after the scheduled starting time both teams will be charged with a loss by forfeit and assessed the $20 forfeit fine.

6. A team captain or co-captain can call Campus Recreation at 312-3114 24 hours before a scheduled game and receive a loss by default once per tournament or league without being fined. After the first loss by default any time a team cannot field enough players to start a game the team will be charged with a loss by forfeit and assessed the $20 forfeit fine.
Protests:
1. Only team captains, or in the absence of the team captain the designated spokesperson, may file a protest when a rule has been violated which affects the outcome of an event.
   a) The captain must, upon occurrence of discrepancy, immediately inform the official that he/she wishes to put the game under protest.
   b) A written protest form must be filed at 101 Lee Hall by 12 noon the next business day explaining the protest.
2. An official’s judgment or interpretation of a player’s action or sport rule does not constitute grounds for protest.
3. Eligibility protests may be filed at any time during the season.

Disciplinary Action:
1. If a player is ejected from a game for any reason the supervisor or official will write an Incident report. The player must leave the gym or area immediately, before the game continues. After an incident occurs a player must meet with the Director of Campus Recreation or designee before being reinstated.
2. Any player charged with fighting or striking any official or participant will be automatically suspended from the league, meet with the Director of Campus Recreation, and serve a minimum of a one game suspension before being reinstated. Depending on the severity of the situation, an individual or group of students may be brought up on College Judicial Charges, in accordance with the Code of Student Rights, Responsibilities and Conduct. Please refer to the student handbook for specifics about disciplinary policies and procedures.

Equipment Replacement Procedure:
The equipment replacement procedure is to ensure the Intramural Program can continue providing quality equipment to our participants in good working order. In the event an incident occurs in which a participant damages or loses equipment, an incident report will be completed by the intramural staff. The participant(s) will be contacted through e-mail that they have two business days to pay the replacement cost of the damaged or lost equipment or make an appeal to the Assistant Director of Campus Recreation. If the participant has not paid the replacement cost of the equipment or contacted the Assistant Director of Campus Recreation within two business days, then the participant’s student account will be charged for the replacement cost of the equipment. Equipment that is damaged due to normal wear and tear will not be charged to the participant and each incident will be dealt with on a case-by-case basis.

Sports Officials:
No intramural program can be successful without the services of student officials. These officials are necessary because of the inherent risks associated with intramural sports activities. Campus Recreation will provide officials for team competitions and tournaments. For competition in individual sports (tennis, racquetball, etc.) the participants are responsible for officiating their own matches. However, there will be a supervisor on site if questions on rules may arise.

Gag Rule:
1. Once the Gag Rule is announced to teams during a game any participant other than the team captain questioning an official’s judgment will be removed from the game.
2. The team captain will be the designated speaker for his/her team. If the team captain is absent, the team will designate a spokesperson.
3. Any player dismissed from a game must leave the playing area completely after completing an incident form. Refusal to comply will result in an immediate forfeiture of the game, and University Police will be called. Any player dismissed from a game for the “Gag Rule” must meet with the Campus Recreation Director or designee and will be assessed a minimum of a one game suspension. The Campus Recreation Director or designee will suspend any player dismissed two times for the “Gag Rule” from the league or tournament.

**Sportsmanship:**
Good sportsmanship is essential for the overall success and enjoyment of the intramural sports program. Part of the philosophy of Campus Recreation is good sportsmanship. “Good sportsmanship” means the understanding and practice of the rules of the game, respect for persons on the opposing team, respect for game officials, supervisors, and for all in attendance, maintaining a positive attitude, and remembering the spirit of competition for Intramural Sports.

Acts of unsportsmanlike conduct will not be condoned. Game Officials, Supervisors, and the Campus Recreation Assistant Director will make decisions whether to warn, penalize, or disqualify offending players or teams. Abuse of the officials will not be tolerated; any person in violation of this rule will be removed from the game. The dismissal of a player or players is the responsibility of the officials in charge of the game. His/her actions are final and will not be overruled. Any player dismissed from a game for unsportsmanlike conduct will be asked to leave the playing area and facility after completing an incident report and before the game resumes. All players that have been dismissed from a game will remain ineligible for all intramural sports until meeting with the Assistant Director of Campus Recreation or designee.

**Sportsmanship Rating Policy:**
- Following each contest in team sports the intramural staff will rate each team on their sportsmanship.
- Teams must average a 2.5 rating or above in order to qualify for playoffs. All team’s regular season average will carry over to the playoffs and teams must maintain a 2.5 average throughout the entire playoffs or they will be eliminated. If a team is eliminated due to poor sportsmanship the next eligible team, if there is one, may be placed in their spot.
- If a team receives a sportsmanship rating below a 2.0 in a season including playoffs or tournament, a warning will be issued. If a team receives a rating below a 2.0 twice in one season including playoffs or tournament, that team will be removed from the league and/or playoffs.
- If a player, team, or team spectator is ejected from a game for any reason, the team cannot receive higher than a 2.0 rating for that game. The people involved must meet with the Assistant Director of Campus Recreation or designee before playing or attending any intramural event.

Specific rating scale:
- **4 = Excellent** rating will be awarded to a team that demonstrates qualities of extremely good sportsmanship in regard to teammates, the opposing team, and intramural staff and officials, and an attitude of complete cooperation by all team members and spectators before, throughout, and after the contest.
- **3 = Above Average** rating will be awarded to a team that demonstrates sportsmanlike conduct in the game except for minor infractions, but the conduct is such that the game continues without interruptions.
2 = Average rating will be awarded to a team when the team or individuals disregard initial warnings of unnecessary roughness, the team or player demonstrates a few antagonistic behaviors to an official and/or an opposing team, and if foul language occurs.

1 = Below Average rating will be awarded to a team when disorderly conduct by a team member or spectator is clearly related to game play and/or jeopardizes game play at any time. This may include, but is not limited to, foul language, unnecessary roughness, unsportsmanlike fan, taunting intramural staff or opponents, horseplay, etc.

0 = Poor rating will be awarded as an unsportsmanlike rating to a team if any player and/or spectator takes action in which the intent is to bring about physical harm or uses threatening and abusive language. This includes, but is not limited to, fighting, foul language, threatening other participants, threatening an official, threatening a spectator, taunting, delay of game, physically putting their hands on a player or staff person, etc.

Alcohol / Drugs / Tobacco:
Alcohol and drugs are prohibited in all recreational activity areas. Participants are not allowed to smoke or chew tobacco while participating in intramural events. Those individuals who are under the influence of drugs or alcohol will not be allowed to play, and will be written up and reported to both the Director for Campus Recreation, as well as the Director of Campus Life and University Police. In addition, the individual may be brought up on College Judicial Charges in accordance with the Code of Students Rights, Responsibilities and Conduct. Please refer to the Student Handbook for specifics about disciplinary policies and procedures.

Health and Injuries:
Since participation in the intramural program is on a voluntary basis, the State University of New York at Oswego, Department of Campus Life, Campus Recreation will not accept responsibility for injuries sustained while participating in intramural sports, campus recreation programs, or open recreation programs. All participants are strongly encouraged and advised to provide their own health insurance coverage and receive a yearly health examination. When an injury occurs please notify the supervisor on duty. Injuries of a more serious nature are referred to University Police and SAVAC. Any cost incurred from an injury is the responsibility of the participant.

Extramural Sports
The Intramural Sports program takes pride in having the opportunity in allowing its participants to take part in extramural competition at the state, regional and national levels in Flag Football, Basketball, and Co-ed Softball tournaments in NIRSA endorsed programs. Extramural is defined as team sport competition opportunities against other colleges and universities. Each participant must be a current State University of New York at Oswego student and have a valid ID to be eligible for competitions. In addition, the participant must pay the student activity fee, be in good judicial and financial standing with the University, be a member of the intramural champion’s original team roster, and meet the eligibility policies of the extramural tournament. Campus Recreation will only subsidize the expenses of a team that has a minimum of three substitutes or a full roster to the events. Portions of a team or the minimum number of players as stated in rules to start a game will not be acceptable. All students participating in extramural sports are recommended to have health insurance and bring all insurance information on the
trips. A mandatory travel meeting with all participants and the Campus Recreation Director or Assistant Director will be set up with the team captain and players to discuss guidelines, sport rules and expectations for the trip. If a player does not attend the meeting he or she will not be permitted to go on the trip. Dependent upon the number of representatives that will be able to attend the extramural tournaments, participants should anticipate that they will incur some out of pocket travel expenses associated with the trip. Campus Recreation will only reimburse expenses outlined in the reimbursement and travel agreements.

Club Sports

Campus Recreation provides advisement to all Club Sports programs. The purpose for each club sport may vary from competitive to recreational in nature. The key element to the club sport program is that it is student initiated and organized with an emphasis placed on participation and interest in the same activity. Memberships within these organizations are voluntary. The success of the club is determined exclusively on student leadership and group participation. All Club Sports at SUNY Oswego are required to become registered in order to be recognized by the campus community. Listed below are the active club sport programs. Students, faculty and staff are welcome to participate. Guests, spouse/partner, or dependents may not participate in the sport club program. All clubs are required to obtain an advisor and are recommended to have a non-student coach or instructor. Please note that from year to year these clubs may or may not exist because of student interest and leadership. If you are interested in joining a club or starting a new sport club please contact the Assistant Director of Campus Recreation at 312-5609.

Becoming A Registered Group:
Club Sports must complete a registration packet with The Point, 101 Marano Campus Center. All club sports seeking recognition and funding from Student Association visit The Point or visit the Student
Association website. Each registered organization is required to follow the policies and procedures as outlined by the SUNY Oswego Student Handbook, the Student Association and The Point.

**Campus Recreation Student Advisory Council**
The purpose of the Campus Recreation Student Advisory Council is to give students, faculty, and staff at the State University of New York at Oswego an opportunity to contribute ideas and provide guidance regarding Campus Recreation Intramural programs. Members on the Council are appointed for a term of one year. If you are interested in information on the Council please contact the area Director for Campus Recreation at x3114.

**Instructional Programs**
Instructional programs in swimming are offered to students, faculty, staff, university affiliate family members and non-university affiliated people. Presently we offer private swim lessons and group swim lessons for children and adults. Both programs are offered in the fall and spring semesters. For more information and registration please contact 312-3114 or you may refer to our website page at [http://www.oswego.edu/student/services/campus_life/intramurals/aquatics.html](http://www.oswego.edu/student/services/campus_life/intramurals/aquatics.html)

Campus Recreation also offers an instructional tennis clinic each fall and golf clinic each spring. Instruction is provided and equipment is available for participants to borrow. This program is only open to students, faculty and staff with a valid SUNY Oswego ID. You may register online at imleagues.com. For more information please contact the Campus Recreation Office at 312-3114.

**Student Employment**
Many opportunities exist for students to work in paid positions in Campus Recreation. A variety of part-time employment positions are available for responsible, reliable, and conscientious students. Both work study and temporary service candidates are welcome to apply. Campus Recreation relies on our enthusiastic student staff to contribute to the success of the program and assist in all aspects of the events.

*Student positions include:*
- Sports Officials
- Intramural Assistant
- Intramural Supervisors
- Office Assistants
- Building Managers
