Course Goals: This is an advanced *language* course which stresses use of Spanish at a high level in the spheres of reading, composition, and conversation. Toward these ends special attention will be given to nuances and fine points of vocabulary and structure.

Students with Disabilities: Students who have a disabling condition which might interfere with their ability to complete this course successfully are encouraged to speak, confidentially, to the instructor, or to contact the Office of Disability Services (x3358).

Academic Honesty: Intellectual growth on the part of all students is basic to growth and development through college course work. When academic dishonesty occurs, the learning/teaching climate is seriously undermined and student development is impeded. For these reasons any form of intellectual dishonesty is of serious concern and prohibited.
