ATTENDANCE:

Regular class attendance is essential for success in this course. A grade of zero will be entered for work missed without a valid excuse. There is no penalty for excused absences. However, you are responsible for making up any work missed.

Unexcused absences may adversely affect your final grade. You should devote at least one hour each day for Portuguese homework and oral practice for success in this class. Language acquisition is a gradual learning process; therefore, it is important that you practice consistently on a daily basis the skills covered in class.

Do not call the Modern Language office to inform that you will be absent; simply communicate directly with the instructor.
