POLICY FOR SENIOR RECITALS

1) The studio teacher must give written approval by November 1 for a spring semester recital and by April 1 for a fall semester recital. The date and location for the recital will also be selected by these dates.

2) Each year when the department selects concert dates, a few possible senior recital dates will be scheduled and held open. They will be filled on a first-come, first-serve basis, once approval by the studio teacher has been secured. Every attempt shall be made to avoid end-of-the-semester overcrowding.

3) If the recital is to be shared by a number of students, or if a student is performing on more than one "instrument," approval from all appropriate studio instructors must be obtained before the recital can be scheduled.

4) The student should submit his/her program, name of accompanist, and name(s) of any other performers to the studio teacher for approval in the semester prior to the recital. The final program must be turned in to the studio teacher six (6) weeks prior to the recital. No substitutions or additions can be made after this date.

5) The Music Department will provide piano tuning and audio recording of the recital but the student is responsible for filling out all proper request forms and submitting them by the due dates. Recital programs and advertising posters can be duplicated on the departmental copier but creation of the original documents are the students responsibility.

6) Piano or organ tuning and custodial services for off-campus recitals are the responsibility of the student.

7) If using the Art Gallery, the student will be responsible for paying all gallery attendants needed for the recital.

8) Staff Accompanist Rebecca Horning is available if needed. However, students are responsible for paying for her services- all rehearsals (including the Dress Reh.) and final Recital. You are not required to use Rebecca if you'd rather work with another qualified accompanist. However, the applied teacher has final approval over the accompanist choice and this must be decided early on in the Capstone process. All monies owed to Rebecca or other accompanist must be paid in a timely manner. Final Capstone completion and subsequent grade (and graduation) will be withheld until this is accomplished.
