

Substance Free Floor Agreement

HART HALL GLOBAL LIVING AND LEARNING CENTER

I am requesting assignment to a substance free floor and agree to follow the lifestyle and community conditions listed below:

1. As a resident of the Hart Hall Substance Free Floor, I will not use alcohol, tobacco or illegal drugs while in Hart Hall.
2. If I am no longer willing to subscribe to the conditions for residence on this floor, I will notify the Residence Director and request a new room assignment.
3. I will be responsible for assuring that any guests I host on the floor respect my floor-mates and my roommate by complying with the substance restrictions while on the floor.
4. If I am accused of violating this Substance Free Agreement, I understand that the response will minimally be that the Residence Director will meet with me to discuss the circumstances. If the Director determines that there is substance to the allegations, I may at the Director's discretion be moved to another floor in Hart Hall.
