2+2 Early Admissions Program for High School Seniors

The 2+2 requires high school students to apply to SUNY Upstate and to SUNY Oswego. The admissions deadline for early admission is March 1st. Students accepted into this program during their senior year of high school are guaranteed admission, providing they maintain the GPA requirement and meet all conditions of acceptance, into one of the upper division programs at SUNY Upstate Medical University. Students should first attend an affiliated college or university for two years and complete all admissions requirements as outlined in their letter of acceptance.

1. This program is a unique opportunity for high school seniors with a demonstrated commitment to a career in the health professions and a strong record of achievement in high school. Students accepted into this program are required to have completed at least three years of Regents or honors level courses in math and science. Students applying early admission should be in the upper quartile of their class and should have competitive SAT or ACT scores. They must demonstrate a strong leadership background and show participation in extracurricular activities.

2. Students will be accepted during their senior year of high school (two years prior to the date of entry at SUNY Upstate) with guaranteed admission into one of the upper-division programs at SUNY Upstate Medical University's College of Health. The decision to admit to SUNY Upstate Medical University will be at the sole discretion of the appropriate admissions committee at SUNY Upstate.

3. The decision to admit to SUNY Oswego will be at the sole discretion SUNY Oswego.

4. Accepted students must successfully complete all prerequisite courses, while maintaining a required cumulative and prerequisite GPA for their intended program of study:

   Medical Imaging /Radiography (X-ray), BS – 3.0 GPA
   Medical Imaging Sciences/Ultrasound, BS – 3.0 GPA
   Medical Technology, BS – 3.0 GPA
   Medical Biotechnology, BS – 3.0 GPA
   Radiation Therapy, BS – 3.0 GPA
   Respiratory Therapy, BS – 3.0 GPA

   *Students are expected to maintain a 3.0 GPA for their science and math coursework*

5. The student must continue to be involved in the health profession through volunteer, observational or research experience. Accepted students will be encouraged to be involved in leadership or community activities while at SUNY Oswego.

6. The Student Admissions Office will administer the program at SUNY Upstate Medical University. The liaison will work closely with the liaison for SUNY Oswego in tracking the students accepted early admission.

7. The 2+2 early admission application process can be found online: http://www.upstate.edu/prospective/basics/early.php
Review/Revision of the Agreement
Any changes in the courses or programs at either institution will lead to discussion between the appropriate faculty and administrators at both institutions.

Assistance Agreement
