

Identifying What Version of Firefox You Are Using PC

1. Launch Firefox

2. On the menu bar, click “**Help**” and select “**About Mozilla Firefox**”

3. The version number is located under the Firefox Logo

4. **Note version number** then click “**OK**” to close “**About Mozilla Firefox**” box

NOTE: The version number should be 2.0 or greater. If it is not, you will need to upgrade. Please continue to the Firefox for PC upgrade instructions.
