Courses scheduled in Phoenix include regular credit courses to fulfill degree requirements, non-credit classes, and a variety of seminars and workshops. For additional information on evening courses or evening degree programs, call the Division of Extended learning at 312-2270. Specific offerings can be found in the undergraduate and graduate course listings.

Built in the fall of 1993, the Center is the result of a joint partnership with SUNY Oswego and Operation Oswego County. Located in the Oswego County Industrial Park, the SUNY Oswego Phoenix Center is a short commute for most central New York residents. The Center is 30 minutes south of Oswego and 5 minutes north of Great Northern Mall.
