

Lighting Request Form - Waterman Theatre

This form should be used by the Music Department to provide lighting for concerts.

(NOTE - All performance & rehearsal dates must be scheduled on the official Waterman calendar, located in Room 105 (Department of Theatre Office), and a Waterman Theatre Reservation form completed.)

You are responsible for coordinating with the janitors and theatre technical director for the time required to set up & **remove** all platforms, staging, risers & band shells for your rehearsals & performances. Unless otherwise approved, you must reserve the facility for all the times the staging, including bandshells, is in the theatre.

Name of Program: _____

Please indicate the location of persons, instruments, bandshells, etc on the drawing above. If you are using a curtain other than the Act Curtain or Cyclorama, please indicate the distance it is to be placed from the front wall.

If you need any special support such as followspots, a stagehand to run the Act curtain or other rigging, please indicate below:

This form should be attached to the Waterman Theatre Reservation form & returned to the Theatre Department office as soon as possible.
