5. *Specific program requirements:*

a. *Limitations imposed on admission to combined degree program in order to restrict to those students with exceptional academic records. Include description of admission requirements, and administrative approval.*

Admission to the program will be limited to applicants with a minimum high school average of 90% and a combined SAT score of 1150. Students who have completed 30 hours of college credit can transfer into the program if they have a minimum GPA of 3.3. Students in the program will need to apply to the MBA program in the second semester of their junior year and must meet the standard requirements for admission. Applicants must have a minimum GMAT score of 450 and an undergraduate GPA of 3.0. The standard admittance requirement is an undergraduate GPA of 2.6 and a GMAT score of 450. Each candidate must also submit two letters of reference with their application. Students not qualifying for candidacy in the MBA degree program will graduate with a major in Psychology and a minor in Business Administration. Accepted students may take MBA 516, International Business and MBA 517, Organizational Management: A Global Perspective in their senior year.

b. *List all required courses showing number of credits whether graduate or undergraduate, when and how often offered.*

² The general education requirement of 6 hours of Social Science is waived for Psychology majors.
