

Electives – EAD 620s Skills Series for Building and District Leaders
EAD 650s Curriculum Series for Building and District Leaders
EAD 660s Organizational and Adult Development Series for Building and District Leaders

Candidates perform critical performance tasks related to the content and processes presented in each course. Successful completion of one course in each of these three series is required for program completion. For each of these elective courses, the critical performance tasks require candidates to:

1. *analyze course content and apply this content to authentic learning activities and real world situations.*
2. *demonstrate a wide range of teaming skills as they complete projects and assignments*
3. *communicate effectively in oral and written form their understanding of course content and application.*
4. *write a platform statement for inclusion in their portfolio that summarizes their learning from each course in a cogent and clear manner*
5. *demonstrate leadership skills throughout the course*
6. *reflect on course content and application*
7. *apply content to both building and district level settings*
