I understand that adjustment to living in a new culture and family environment will be challenge; I understand that I will have to make adjustments and try to resolve any housing difficulties with the Barcelona program staff before requesting a change in host family placement. I understand that once arrangements have been made for my host family housing/residence hall, **no** housing refund will be issued.

Also, should I decide that I no longer want to reside in a home-stay (host family) or residence hall, I understand that I become responsible to find and pay for independent housing and that **NO** housing refund will be issued.

- find my own permanent housing
- negotiate with the landlord
- sign the rental agreement
