The Site
Florence, the Renaissance city. A city renowned for its magnificent architecture, world-class art museums, and flair for creating the latest trends in fashion. Florence offers students a unique learning environment where the entire city center feels like a museum.

The Program
The CAPA Florence program caters to a wide range of majors and offers several academic courses and experiential learning opportunities, including internships and an Advanced Italian Language and Internship Program. CAPA offers a variety of courses with local visits, fine arts courses that take advantage of the visually stunning streets and buildings, and special lectures relevant to your study abroad experience. Courses include Italian language at all levels, studio art, art history, literature, and business. A full listing of CAPA's current course offerings and sample internship placements can be found at http://www.capao.org. Please note: Internship applicants must have completed 4 semesters of Italian or the equivalent.

The Study Center
The CAPA Florence Center is housed in the Palazzo Galli-tassi. The Palazzo dates from the 1400s and was once owned by Filippo Valori, rector of the University of Pisa and close friend of Lorenzo de Medici. The Palazzo is located in the Santa Croce area in the center of the traditional artisans' quarter. It is here that you will find distinctive neighborhood shops and restoration work. The Center has equipped classrooms, a faculty office, a computer lab and resource room, a student lounge, wireless internet access and local library access. The Center is well served by public transportation, including several bus routes, providing easy access to all parts of the city.

Students who can show that they are covered by comparable personal or family insurance will be permitted to waive the SUNY full health and accident insurance. All students will be enrolled in and billed for medical evacuation and repatriation insurance.
