Ireland was settled by the Celts and subsequently invaded by the Vikings and the Anglo-Normans. After centuries of British rule, the Republic of Ireland gained independence in the early twentieth century after a long struggle. Dublin is one of the most culturally and historically rich global cities and a prosperous hub of high tech industries in the new global economy. Some of the most beautiful scenery in Ireland is found along the west coast from Killarney to Limerick including the Dingle Peninsula, the Ring of Kerry and Killarney National Park. Learn about the history and culture of Dublin and Ireland by taking GLS100 Global Cities: Ireland during Q4 (March 22 – May 7) 2010, and then spend nine days visiting Dublin and Ireland from May 27 to June 5, 2010. The course is 3 lower (GLS 100) or upper division (HIS 499) credits. Instructor and Tour leader: Dr. David King.
