

APPENDIX A: STUDENTS' OFF-CAMPUS PRESENTATIONS, PUBLICATIONS, EXHIBITIONS

Art

Alexander, Sara, a painting ("If I Were a Fish...") and a mixed media drawing ("Emergence") in "BodyScapes" (national, juried exhibition), Rockaway Artists Alliance, Fort Tilden, , June 3-June 25, 2006.

Barnhart, Jenna, Lindsey Guile, Marguerite McAfee, Michael Moncibaiz, artwork, 15th Annual Members Exhibition, Rochester Contemporary, December 2-December 18, 2005.

Bearup, Melissa, Christine Klement, Charity Murphy, Heather Connors, and Michelle Scoville, artwork, "Fall 2005 Student Art Exhibit," State University Plaza Gallery, Albany.

Bivens, Heather, "Space: A Figurative Expansion," The Delavan Center, Syracuse, May 8-14, 2006).

Egger, Brian, solo exhibition at Rose-Hulman Institute of Technology. Terre Haute, IN, May 2006.

Engler, Michael, "The Mandala of Mahavajrabhairava," at the International Undergraduate Student Symposium in Art History, Portland, Oregon, April 28, 2006 (<http://www.h-net.org/announce/show.cgi?ID=150589>).

Haig, Sarah, Emily Potter, Sara Nesbitt, and Michael Lupa, artwork, "Spring 2006 Student Art Exhibit," State University Plaza Gallery, Albany.

Sarah Nesbitt and Mark Millanti, photographs, juried photographic student exhibition, Cornell University Northeast Society of Photographic Education (CAMERA-CULTURE/CAMERA CULTURE: The Camera as a Tool to Capture_Confine_Create_Construct Culture, Nov. 11-13, 2005).

Michael Lupa and Professor Kathy Budd, "Why Cast Iron?", 5th International Conference on Contemporary Cast Iron Art (April 5-9, 2006, Shropshire, England).

Biology

Sawyer, T. 2005. "The forgotten cure: The uses of *Podophyllum peltatum* L", 11th Annual Western New York McNair Research Conference, Niagara Falls NY.

Pursel, K. 2005. "Status and conservation of the wood turtle in Western and Central NYS", Upstate Herpetological Associates Meeting.

Hale, E. and B. D. Chepko-Sade, "Increasing Foraging Time in Lined Seahorses (*Hippocampus erectus*) Using Feeding Enrichment with Slow Release (frozen) Cubes of Mysis Shrimp", 7th International Conference on Environmental Enrichment, New York, New York, 2005.

Kellerhouse, K. and B. D. Chepko-Sade, "A slow-release cricket feeder decreases aggression and increases foraging in a mixed species exhibit of desert lizards (Iguanidae)", 7th International Conference on Environmental Enrichment, New York, New York, 2005.

Mahan, S. and B. D. Chepko-Sade. 2005. Are leaf-eating primates less dextrous than fruit-eating primates?. (poster) 7th International Conference on Environmental Enrichment, New York, New York.

Sherwood, B., B. D. Chepko-Sade and J. Preston. 2005. Captive wolves that have been socialized to humans show less vigilance and increased relaxation compared to parent-reared captive wolves, 7th International Conference on Environmental Enrichment, New York, New York.

Upmeyer, D. and B. D. Chepko-Sade, "Complex foraging enrichment encourages natural foraging behavior in squirrel monkeys (*Saimiri sciureus*)", 7th International Conference on Environmental Enrichment, New York, New York, 2005.

Nichols, W., "Population dynamics of *Psephenus herricki* in Rice Creek (Oswego County)", Annual Meeting of the Great Lakes Research Consortium, Syracuse, NY, 2005.

Communication Studies

Ed Bosak, script, "Curb Your Enthusiasm: The Colonoscopy" at the Broadcast Education Association national convention in Las Vegas, April 2006.

Kathleen McGurn, Joseph Paccione, Jason Kwilos, Delia Jesaitis, and Kerry Moran presentations at Geneseo Conference.

Counseling & Psychological Services

Riley-Tillman, T. C., Chafouleas, S. C., Blom-Hofman, J., Volpe, R. J., McDugal, J. L. (2006). "Success", *Psychology in the School*, 43, 6.

Wilber, A. & Cushman, T.P. (2006). "A practitioner's guide to selecting effective academic interventions: Brief experimental analysis in the schools.", *Psychology in the Schools*, 43,1, 79-84.

Signor-Buhl, S., LeBlanc, M., & McDougal, J. L. (2006). "Conducting district wide evaluations of special cases." *Psychology in the School*, 43, 7, 109-115.

McDougal, J. L., Korth, M., Clark, K., & Hamlin, T. (2005). "Understanding and diagnosing reading disabilities within a response to intervention model." New York State Association of School Psychologists.

Clonan, S. C., McDougal, J. L., & Clark, K. (2005). "Using data to improve student behavior: Data-based decision making and the Positive Behavioral Interventions and Supports project." Manuscript submitted.

McDougal, J. L., Clark, K. C., & Wilson, J. (2005). "Graphing made easy: Practical tools for school psychologists." *NASP Communiqué* 34, Insert 1-6.

McDougal, J. L., Miller, A., & Korth, M. (2005, April). "Understanding & diagnosing learning disabilities within an RTI model," workshops, NASP annual conference, Atlanta, GA.

McDougal, J. L., Miller, A., & Korth, M., Clark, K., & Hamlin, T. (2005, October). "Understanding and diagnosing reading disabilities within a Response to Intervention Model: A consortium for school based professionals," workshop, New York Association of School Psychologist annual conference, White Plains, NY.

McDougal, J. L., Burek-Giamartino, C., Loveless, K., Claridge, H., Milliman, J., & Shaw, C. (2005, October). "Response to Brief Experimental Analysis: A case study monitoring student's progress as a result of individually tailored reading interventions." Poster, New York Association of School Psychologist annual conference, White Plains, NY

Burek-Giamartino, C., McDougal, J. L., & LeBlanc, M. (2005, October). "Important considerations in Kindergarten Screening: One district's development of a new screening scale." New York Association of School Psychologist annual conference, White Plains, NY.

Curriculum & Instruction

Ballard, Wendy, & Carroll, Kathy (2006). Children's Artwork at Rivers End Bookstore and Oswego Library.

Barton, Colleen (2006). "Whispers in the walls: Unspoken words in the public school fortress." *American Journal of Sexuality Education*. Vol 2 (1).

Chesbro, Gary (2006). "Teaching tip." *Journal of the Virginia State Reading Association*.

Earth Sciences

Chris Thuman, "The Effects of an Urban Heat Island on Two Small Cities in New York," Department of Earth Sciences, SUNY Oswego, American Meteorological Society Annual Meeting 29 January-2 February 2006 and the Rochester Academy of Sciences Meeting November 5, 2005; and 31st Annual Northeastern Storm Conference, March 10-12, 2006.

Holly Sobocinski, "An Observational and Model Analysis of the Waterspout Events of 2 and 17 October 2003," 31st Annual Northeastern Storm Conference, March 10-12, 2006.

Robert Schultz and John Thomas, "The Rapid Intensification of Hurricane Charley before Florida Landfall", 31st Annual Northeastern Storm Conference, March 10-12, 2006.

Kelli Jo Hoover, David Valentino and Samuel T. Peavy, "Assessing The Architecture of A Drumlin With the Use of Electrical Resistivity Techniques, Oswego, NY", Geological Society of America, March 2006.

Eugene Kush, Noah Mantaro and David W. Valentino, "The Indian Lake Fault Zone and Snowy Mountain Dome, Central Adirondack Mountains," Geological Society of America, March 2006.

Kate Summerhays, "Stratigraphic AND Petrologic Examination of Metasedimentary Rocks at Chimney Mountain, NY", Geological Society of America, March 2006.

Kevin J. Reitz and David W. Valentino, "Structural Analysis of a Ductile Shear Zone at Wellesley Island, Thousand Islands, NY", Geological Society of America, March 2006.

English

Taylor Hung, Weston Fellows, Maria Kinane, panel, "The Persistence of Memory: Truth, History, and Storytelling in Post", 15th Annual British Commonwealth and Postcolonial Studies Conference, Savannah, Georgia, February 2006.

Philosophy

Ian Smith, "Michael Martin's defense of the Ideal Observer theory in Ethics", Freethinkers of Upstate New York in Syracuse, March 2006.

Ian Smith, "William of Ockham", accepted for publication in *Philosophy Now*.

Ian Smith, "William of Ockham", Undergraduate Philosophy Conference at SUNY-Buffalo, in January 2006.

Physics

Dylan Wallace and Shashi Kanbur, "Metallicity effects in JHK light curves of Cepheids", Astronomical Society of New York Conference at Union College, NY (November 2005).

William Spratt and Shashi Kanbur, "Period Color and Amplitude Color relations in M3", Astronomical Society of New York Conference at Union College, NY (November 2005).

Daniel Crain and Shashi Kanbur, "Period Color and Amplitude Color relations in IC 1613", Rochester Symposium for Physics Students, Houghton College (April 1, 2006).

Dylan Wallace and Shashi Kanbur, "Metallicity effects in JHK light curves", Sigma Xi Undergraduate Research Conference, Cornell University (April 8, 2006).

Gregory Feiden and Shashi Kanbur, "Principal Component Analysis of MACHO Project RR Lyraes", Sigma Xi Undergraduate Research Conference, Cornell University (April 8, 2006).

Political Science

Benjamin Patterson and Craig Warkentin, "Doing Things Differently: States, Civil Society, and the War on Terrorism", International Studies Association Conference in San Diego, CA, March 2006.

Psychology

Burch, R. L., & Hipp, D. (2006) "Paternal investment, phenotypic resemblance, and the social mirror effect." Female Infidelity and Paternal Uncertainty. Steve M. Platak and Todd Shackelford, Editors. Cambridge University Press.

Bordador, J. and Burch, R L. (2006, July). "Aggressive sex: definitions, risk factors, and severity of violent acts." Annual Meeting of the International Society of Human Ethology. Detroit, MI. Submitted.

Brown, L. H., & DeRycke, S. B. (2005). "The kinkeeping connection: An intergenerational empirical investigation." National Council on Family Relations, Phoenix, AZ.

Link, K. E., & Conrow, L. (2005). "Does negated understatement act like irony?" Poster, Psychonomic Society, Toronto.

Hipp, D. and Burch, R L. (2006, July). "Nipple erection II: reactions to nipple erection on real women." Annual Meeting of the International Society of Human Ethology. Detroit, MI.

Hipp, D. and Burch, R L. (2006, July). "Paternal investment, phenotypic resemblance, and the evolution of kin selection and xenophobia." Annual Meeting of the International Society of Human Ethology. Detroit, MI.

McAuliffe, K. and Burch, R L. (2006, July). "Extra pair copulations in college: Who cheats, who do they cheat with, how the sex differs." Annual Meeting of the International Society of Human Ethology. Detroit, MI.

Bellard, M. McAuliffe, K., and Burch, R L. (2006, June). "From the child's point of view: The effect of paternal resemblance in investment." Annual Meeting of the Human Behavior and Evolution Society, Philadelphia, PA.

Bordador, J. and Burch, R L. (2006, June). "Mechanisms that minimize self-semen displacement." Annual Meeting of the Human Behavior and Evolution Society, Philadelphia, PA.

Hipp, D., Minter, D., and Burch, R L. (2006, June). "Is romantic commitment depressing for college age males?" Annual Meeting of the Human Behavior and Evolution Society, Philadelphia, PA.

Moloney, R. and Burch, R L. (2006, June). "The benefit of foreskin and the impact of circumcision on sexual behavior." Annual Meeting of the Human Behavior and Evolution Society, Philadelphia, PA.

Bellard, M. and Burch, R L. (2006, April). "The other man: how sexual behaviors change when the female has a partner." The NE Regional Undergraduate and Graduate Student Sigma Xi Poster Conference. Ithaca, NY.

Burgess, R. and Burch, R L. (2006, April). "Marriage as a reproductive contract, wedding as a reproductive ritual. The NE Regional Undergraduate and Graduate Student Sigma Xi Poster Conference. Ithaca, NY.

Condon, C. and Burch, R L. (2006, April). "The reproductive priming effect: Does behavioral change lead to more dating opportunities?" The NE Regional Undergraduate and Graduate Student Sigma Xi Poster Conference. Ithaca, NY.

McAuliffe, K. and Burch, R L. (2006, April). "The role of paternal absence in partner preferences, gender role and sexual behavior." The NE Regional Undergraduate and Graduate Student Sigma Xi Poster Conference. Ithaca, NY.

Moloney, R., and Burch, R L. (2006, April). "Sexual behaviors on a college campus: relationships, risky behaviors, and depressive symptoms," The NE Regional Undergraduate and Graduate Student Sigma Xi Poster Conference. Ithaca, NY.

Hipp, D., and Burch, R.L. (2005, June). "What predicts male commitment?" Annual Meeting of the Human Behavior and Evolution Society, Austin Texas.

Valdez, J., and Burch, R.L. (2005, June). "The impact of unprotected vaginal, oral and anal sex on depression." Annual Meeting of the Human Behavior and Evolution Society, Austin Texas.

Moloney, R., and Burch, R.L. (2005, June). "Post ejaculatory behavior." Annual Meeting of the Human Behavior and Evolution Society, Austin Texas.

Mapes, N., Bordador, J. J., and Burch, R.L. (2005, June). "Semen displacement behaviors during extra pair copulations." Annual Meeting of the Human Behavior and Evolution Society, Austin Texas.

Lewis, K., Hubbard, L., Norton, J., Wallace, K. & Bacher, L. (2006). "Possible contributing factors of individual differences in spontaneous eye blinking." Eastern Psychological Association's Annual Meeting, Baltimore, MD.

Technology

Van Kurin, Scott (2006) "How to identify manufacturing processes during reverse engineering." NYSTEA spring conference.

Theatre

Heather Berg, Lighting Design for “Proof” at the Kennedy Center American College Theatre Festival (Region II Conference, January ‘06).

Katie Ahearn, Prop Design for the Zoltar figure used in “Big: The Musical” at the Kennedy Center American College Theatre Festival (Region II Conference, January ‘06).

Sara Chobot, Costume Designs for “Proof” at the Kennedy Center American College Theatre Festival (Region II Conference, January ‘06).

Eight acting/directing students presented scenes at the Kennedy Center American College Theatre Festival Region II Conference in New Paltz, January 2006.
