Bill reported that Mike Pisa has not responded.

FA on CAQ Assessment Proposal

Susan, Steve and Mark reported on this. A motion was introduced to Faculty Assembly on CAQ's proposal that an assessment coordinator is needed. Some expressed a concern about how assessment results might be used; some also felt that "coordination" might mean "control." The motion will be continued until the next meeting. Susan added that Jean did an excellent job representing the proposal. She suggested that Bill attend the next FA meeting.

Discussing Teaching on Campus

After general discussion, it was agreed to forward this to CELT/COLT with our recommendation.

Common Course Evaluation and Average Grades

Steve really liked the idea, while Susan doubted it could actually be implemented. She suggested that we offer one to recommend. It was noted that it would be difficult to make a general one given field variations.
