## Fulton Montgomery Community College and State University of New York College at Oswego

SUNY Oswego and Fulton-Montgomery Community College are dedicated to a strong, formal, coordinated transfer and articulation process which will be of great benefit to students transferring from Fulton-Montgomery Community College to SUNY Oswego. This document states the conditions under which SUNY Oswego will accept credits earned by students attending Fulton-Montgomery Community College toward the attainment of a Bachelors Degree from SUNY Oswego and thereby enhance the number and quality of learning options for its students and alumni.

Fulton-Montgomery Community College and SUNY Oswego will cooperate to:

1. Strengthen the partnership that currently exists between Fulton-Montgomery Community College and SUNY Oswego.
2. Provide barrier-free movement from the associate to the baccalaureate degree for students enrolled at Fulton-Montgomery Community College.

In order to achieve these goals, Fulton-Montgomery Community College and SUNY Oswego enter into the following Agreement.

Students from Fulton-Montgomery Community College planning on completing their baccalaureate degree may apply to SUNY Oswego at any time while the student is currently enrolled. Students may find an application for admission at [http://www.suny.edu/Student/apply\\_online.cfm](http://www.suny.edu/Student/apply_online.cfm). Transfer students must also submit an official transcript from Fulton-Montgomery Community College and any other colleges or universities previously attended. Transfer students who have completed fewer than 30 credit hours at the time of their application must also submit an official transcript from their high school.

Students who have completed an Associate in Arts, Associate in Applied Science or Associate in Science degree will be accepted as juniors.
