

Monroe Community College

and

SUNY Oswego

Dual Admission Program Agreement

November 2006

# MONROE COMMUNITY COLLEGE

AND

# SUNY OSWEGO

## DUAL ADMISSION PROGRAM AGREEMENT

This agreement establishes a Dual Admission Program between Monroe Community College and SUNY Oswego. Students selected for matriculation in this program will, upon completion of a prescribed sequence of courses leading to an associate degree from Monroe Community College, continue their studies at SUNY Oswego with assurance that they may complete all requirements for a corresponding baccalaureate degree in most cases with the completion of 60 semester credit hours. Generally, completion of Childhood or Adolescent Education Degrees will require additional hours. SUNY Oswego will provide a credit evaluation upon request.

### STUDENT SELECTION

The Office of Admissions at Monroe Community College will be responsible for the selection of candidates for admission to this dual admission program. In general, applicants will be expected to present strong records of academic achievement including four years of English, three years of social studies, and mathematics, and at least two years of study in science. In addition, Monroe Community College will designate appropriate prerequisites for matriculation in any of the curricula included in this dual admission program.

Candidates selected for the program will receive, concurrently, a letter of admission from the Office of Admissions at Monroe Community College and a letter of admission from the Office of Admissions at SUNY Oswego establishing their eligibility to matriculate in corresponding baccalaureate programs upon completion of degree requirements at Monroe Community College. In addition, students selected for the program will be advised in the letter of admissions of any special condition--such as minimum grade point averages --which may affect their eligibility to continue studies at SUNY Oswego.

### BACCALAUREATE DEGREE PROGRAMS

The following academic majors at Oswego may be selected by students who enroll in this dual admission program.

<u>MAJOR</u>	<u>DEGREE</u>	<u>MAJOR</u>	<u>DEGREE</u>
Accounting	BS	Mathematical Economics, Applied	BS

Information Science	BA		
Journalism	BA		
Linguistics	BA		
Management Science	BS		
Physics	BA, BS		
Marketing	BS		
Mathematics	BA		

### **GPA REQUIREMENTS**

In no instance shall a student graduating with an associates degree from Monroe Community College be expected to meet a higher GPA standard than a SUNY Oswego student entering junior status. A 2.3 GPA shall be required for the following programs except Childhood Education and Adolescence Education which both require a minimum of GPA of 2.5:

Accounting	Human Resource Management
Business Administration	Information Science
Computer Science	Management Science
Childhood or Adolescence Education	Marketing
Finance	Psychology
Human Development	Public Justice

All other programs under this agreement shall require a 2.0 GPA. (see previous page)

## **STUDENT ACADEMIC ADVISEMENT**

Monroe Community College staff will assume responsibility for advising students who enroll in the dual admission program. Curriculum guidesheets will be used as the mechanism for communicating degree requirements to students. Guidesheets will be reviewed periodically and appropriate revisions to guidesheets will be made as each institution adds, deletes, or changes course offerings.

Staff members from the Career Center at Monroe Community College and the Office of Transfer Services at SUNY Oswego will be designated as contact persons and coordinators of this dual admission program agreement.

## **ARTICULATION PROCEDURES**

Participants in the dual admission program are not required to file an application for admissions to SUNY Oswego. However, in order for officials at SUNY Oswego to develop a candidate selection plan for each semester, students who anticipate enrolling at SUNY Oswego under the auspices of this agreement must file a Notice of Intent to Enroll with the Office of Admissions at Oswego prior to beginning their studies at the College. For the fall term, the Notice of Intent must be filed by April 1; for the spring term, it must be on file by November 15. All students matriculated in the dual admission program at Monroe Community College will be sent a copy of the Intent to Enroll form at the beginning of their final semester of study at Monroe Community College.

With few exceptions students who wish to change their majors upon enrolling at SUNY Oswego will be permitted to do so with the expectation that they will be able to earn their baccalaureate degrees with the completion of 60 additional credit hours. In some cases, such as majors in disciplines which are sequential and professional programs which are highly structured, achievement of a different baccalaureate degree at SUNY Oswego may require the completion of more than 60 credit hours.

No tuition deposit will be required of students who plan to continue their studies at SUNY Oswego. However, students who wish to reside in campus residence halls will be required to submit a deposit fee by May 1 for fall semester and December 1 for spring semester.

## **INFORMATION SHARING**

Monroe Community College will provide SUNY Oswego with periodic reports so that officials at each college can monitor the flow of students through the program. Biographic data on each student will be provided to the admissions staff at SUNY Oswego so that literature and other relevant programmatic information can be sent to students during the time that they are pursuing their studies at Monroe Community College.

In lieu of information which would be provided on an application for admission, Monroe Community College will provide any relevant data for the establishment of student records at

SUNY Oswego, including a copy of each student's official transcripts from all previous colleges (regardless of whether credit has been awarded toward a degree program at Monroe Community College). Conversely, SUNY, Oswego will provide reports on the academic programs of students who subsequently matriculate at the College. (All students matriculated in this degree program must sign a consent statement authorizing the release of all appropriate academic and biographic information.)

### **CHANGES IN DEGREE REQUIREMENTS**

Students enrolled in the program who maintain continuous registration will not be affected by any changes in the provisions of the agreement unless they deem such changes to be in their best interest. The guarantee of admission to SUNY Oswego will be honored for a two-year period after graduation from Monroe Community College provided the student does not register for courses at a third institution in the interim.

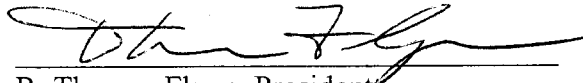

### **TIME FRAME AND PROVISION FOR PROGRAM REVIEW**

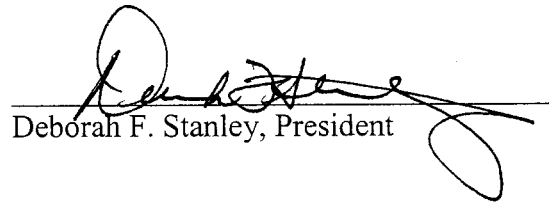

All students currently enrolled at Monroe Community College and those admitted to begin their studies at Monroe Community College in Fall 2007 through Spring 2011 are eligible to be considered for this dual admission program.
