INTRODUCTION

This document constitutes an agreement regarding articulation for the program identified between the State University of New York College at Oswego and Suffolk County Community College. The agreement includes the parallel program where full junior status will be afforded Suffolk County Community College graduates as well as identifies other program options and appropriate course credit equivalencies.

OBJECTIVES

- * To attract qualified students to Suffolk County Community College and to the State University of New York College at Oswego.**
- * To encourage academic coordination and other faculty/administrative interactions, including curricular reviews and administrative streamlining.**
- * To provide for the exchange of information on successes and failures of this transfer program in order that improvements might be made.**

TERMS

Suffolk County Community College agrees to promulgate information and to advise interested students of the provision of general and specific sections of this agreement.

Qualified transfer students will be able to complete degree requirements with a normal load in four semesters in the program identified.

The **State University of New York College at Oswego** agrees to accept as juniors those students who have successfully completed the courses outlined in the degree program identified in this agreement. The grade point average for **Suffolk County Community College** degree graduates for acceptance to **State University of New York College at Oswego** shall be 2.3 or above.

Students must attain "C" grades or better in all core or required courses applied to **State University of New York College at Oswego** for transfer credits. "D" grades in other courses will be applied as elective credit.

On a routine basis, faculty and administrative staff from both institutions will confer on matters of curriculum content and other program details.

Review/Revision Agreement

This agreement shall be reviewed annually or when substantive changes are made in the curriculum on either campus.
