HEAD COACH BRIAN McGRANE

## DEDICATED TO LOCAL YOUTH DEVELOPMENT

It's about Time! Area boys and girls can learn the advanced skills and techniques of one of America's fastest growing sports - soccer - right here in Oswego County!

Under the direction of Oswego States Women's Soccer Coach Brian McGrane, participants will be offered programs designed to develop young players in all facets of the game. Soccer is a game of skill, tactics and technique.

Coach McGrane will teach these fundamentals through his team and camp opportunities. Each opportunity is designed to increase individual and team skills in an atmosphere that is challenging, competitive and fun.

"I want to give specialized training back to the local soccer player. I am excited to be back in New York to help Oswego and our soccer communities continue to grow. Each of our campers will improve. Many of my former campers are now college soccer players."
