

## **Event Criteria For *Toilet Talk***

Thank you for your interest in wanting to include an event in Toilet Talk. Before you can get your event posted the following criteria must be met:

- The event must take place on campus.
- The event must be open to the entire Oswego State community. The event cannot be open to specific groups of people and not others.
- Events that are based around charities or community service will take precedent over all other events.
- The event cannot promote unhealthy, irresponsible behaviors or alcohol/drug use.
- The event must be booked ahead of time with the coordinator of *Toilet Talk* at least two weeks in advance.

Please contact Lorri Ballard via email at [lwhitman@oswego.edu](mailto:lwhitman@oswego.edu), or by telephone at x5648 to make arrangements if you meet the specified criteria.
