Students are permitted to bring refrigerators into residence halls for the purpose of cooling snacks and beverages. Refrigerators in good mechanical condition are permitted in resident rooms. Residents are permitted to have a maximum of two refrigerators per room (six per suite). Refrigerators not rented from the college must be registered with the building staff prior to being brought into the buildings. Directors, Assistant Hall Directors and RAs/RMs/GRMs will inspect all refrigerators during move-in. This program does not alter the regulations regarding cooking in residence halls nor the policy that students who live on campus are required to purchase a meal plan. The refrigerator guidelines include the following:

1. Combined total cubic feet of room refrigeration is not to exceed 6 cubic feet.
2. Amperage of any individual refrigerator is not to exceed 2.0 amps.
3. Refrigerator unit maximum dimensions:
 - a) Capacity - not to exceed 6 cubic feet.
 - b) Outside dimensions - neither length nor width may exceed 48 inches.
4. Summer storage will be the responsibility of each student. The College will not provide space for storage. Residents will be charged \$25 for removal by the College of refrigerators abandoned at sign out.
