

Portraiture presentation

Portraiture & Caricature

another lecture by Cynthia

Portrait

An artistic or photographic image of a person, esp. one showing the face.

Portraiture

The art or practice of creating portraits.

Caricature

A usual pictorial representation in which the subject's distinctive features or characteristics are exaggerated for comic or distorted effect.

Character

A distinguishing feature or characteristic.

Characterize

To describe the characteristics of...

Project Idea: The Time Cover

Create a full color cover for Time magazine's Woman/Man of the Year issue with yourself featured as the subject.

Project Idea: Book Cover Illustration

Acting as both the illustrator and graphic Designer, create an illustration and cover design for a book on an established artist or agency.
