**General Classroom Policies**

- » Attendance is up to you.
- » You are responsible for ALL material covered in and out of class whether or not you are present in class.
- » NO Make-up Exams - if you are going to miss an exam please let me know before the exam. I reserve the right to give you an essay exam if deemed appropriate by me.

---

---

---

---

---

---

---

**General Classroom Policies (cont.)**

- » Do NOT be late to the exams - Anyone arriving after the first person finishes will have missed the exam - in this case an essay exam may be given.
- » If you do not take the Final Exam, you will receive a failing grade for the course, regardless of your current standing in class.

---

---

---

---

---

---

---

**General Classroom Policies (cont.)**

- » The College Policy on Cheating and Plagiarism can be found in the College Handbook. Anyone cheating will be dealt with to the fullest possible extent.
- » NO Extra Credit will be accepted unless it is for something that the entire class can participate in.
- » If you have a learning disability, which you think may hinder your performance in this class, you need to see me immediately.
