Your name: ____________________________________________________________

Proposed length of student teaching programme: ____________________________

Earliest possible starting date: __________________________________________

Latest possible starting date: ___________________________________________

Please note that student teachers must arrive for orientation at least four days prior to the first teaching date. The first and last dates of your sojourn in England may be longer than the actual teaching programme because of school vacation(s) and may be limited by school schedules, including examination periods.

Grade level(s): _______________________________________________________

Subject specializations: ________________________________________________

Have you participated in other student teaching previously? If so, how many and for how long?
______________________________________________________________

______________________________________________________________

Essay: On the other side of this paper, please write about why you would like to have a student teaching experience in England and what your expectations are.

Student signature: ___________________________ Date: ____________________

Approved by: ________________________________________________________

Position: _____________________________________________________________

Signature: ___________________________ Date: _____________________________
