Upper Xingu River,
Brazil, April 13, 1934.

THE VISITOR

Khaki man
From a paper land

So odd in water
Much worse in dirt

Hugging your Bible
Afraid to work

You were either
Born dead

Or not at all

What do you know
Of Alligator
Honeybee
Jaguar
Anteater
Anaconda
Cappybarra
Or Monkeymen
Who howl at the moon?

Let us smoke on it

Read the swirls
Of your awakening
