Required Financial Documentation

Attach the documentation from the sources shown below that was received in your household for the tax year **2017**. If you have unusual circumstances, please attach any relevant notarized letters, statements, death certificates, etc., that support your claims. You will be notified if additional paperwork is required.

- Documentation of no income.** IRS Form 4506-T Request for Transcript of Tax Return, Verification of Non-Filing
- Documentation of income from wages, tips, dividends, interest, rental, business profits.** IRS Forms 1040, 1040A, 1040EZ, signed copies of 1040TEL or official transcript of tax returns; and Forms W-2, 1099 or W-9
- Documentation of income from disability benefits, a pension, annuity or unemployment benefits.** Letter from the appropriate institution stating total award (if not already reported on a tax return); Disabilities Statement
- Documentation of child support or alimony.** Signed affidavit, court order or legal document indicating amount of child support and/or alimony
- Documentation of public assistance.** A signed letter from the agency stating total award and names of recipients
- Documentation of Social Security, Supplemental Security Income or Veteran's Administration non-educational benefits.** SSA Form 1099 or letter from the agency stating total award for each member of the household, including names of individuals
- Documentation of support for wards of the court, foster children or orphans.** Letter or court document from the government, courts or private agency responsible for your support
- DoD Form DD214 Certificate of Release or Discharge from Active Duty**
- USCIS Form I-551 Alien Registration Card**
- IRS Form 1040 Schedule C Profit or Loss From Business**
