Daily COVID Screening — do this before entering any campus spaces

Go through the following steps and questions:

1. Is your temperature greater than or equal to 100 degrees Fahrenheit (37.8 degrees Celsius)?
2. Have you had any known close contact with a person confirmed or suspected to have COVID-19 in the past 14 days?
3. Are you currently experiencing any of the following symptoms (not related to chronic, known conditions or seasonal allergies)?
 - Fever or chills?
 - Cough?
 - Shortness of breath or difficulty breathing?
 - Fatigue?
 - Muscle or body aches?
 - Headache?
 - New loss of taste or smell?
 - Sore throat?
 - Congestion or runny nose?
 - Nausea or vomiting?
 - Diarrhea?
4. Have you tested positive for COVID-19 through a diagnostic test in the past 14 days?
If you can answer "Yes" to ANY of the following questions above, please DO NOT go into any campus space unless it is your dorm room or campus apartment. You should also let your instructors no you are not feeling well.

Entering Tyler Student Studios (203, 211a, 213a or 225a)

1. When using the space, I will wear a mask and use hand sanitizer upon entering.
2. I will keep my mask on at all times and use hand sanitizer as well as washing my hands frequently.
3. I will practice social distancing by keeping 6 feet apart from the other students in the studio and the instructor.
4. I will only stay in my assigned studio space.
5. I will respect the need to control access and only enter during approved scheduled times when Tyler Hall is open.
6. I will go through the following cleaning procedures regularly:
 - I will use studio supplied disinfectant to clean furniture and any other working surface.
 - I will use studio supplied disinfectant to clean the chair or stool.
 - I will place my personal belongings in my space, keeping belongings close to me.
7. I will not bring open food or drink containers into the space and I will refrain from eating or drinking in the space. If I need to do this, I will go outside the classroom or to a campus space designated for this activity.
8. When using the restrooms, I will refrain from using my phone and will both wash my hands, and apply hand sanitizer before returning to my classroom working area.
9. If you need to blow your nose or start coughing, please keep your mask on and try to go outside. After shifting your mask, you should turn away from traffic ways, face downwards, and cover your nose and mouth with some sort of paper towel or tissue. Please throw the tissue or paper towel away after one use.
10. If I need to remove my mask, I will go outside and distance myself in a low traffic area, being mindful to avoid contact with others.
