Adding a LinkedIn Learning Course

LinkedIn Learning offers video courses taught by experts in numerous fields, that can be added to your Blackboard Learn course. Note: Lynda.com courses were migrated to LinkedIn Learning in July 2019.

1. In your course navigate to the Content area, click on Partner Content then select Content Market.

2. On the Content Market page, scroll to the SELECT YOUR CONTENT PROVIDER BELOW area then click the Browse all content providers link.

3. Select LinkedIn Learning.

4. Use LinkedIn Learning’s search function to located the desired course then click the box in front of the desired course to select. Once all desired courses are selected, click the Submit button.

5. On the Confirm Content Selection page, click the Submit button to add the LinkedIn Learning course(s).
