*Please place your laptop order by August 4, 2017 to ensure it will be ready for pickup on freshmen move-in day on August 25, 2017. Students must pick up their laptop in person, no prior delivery is available. We will be happy to take orders past the August 4 deadline but delivery may be delayed. Laptop Payment Plan Agreements must be signed by parent/guardian prior to or upon pickup. Laptop model and specifications are subject to change without notice. If student leaves SUNY Oswego for any reason, full payment will be due at that time. Three-year accidental damage warranty is good for 3 years but it only covers one instance per year.
