

Approved Public Justice Electives

Public Justice Department

www.oswego.edu/publicjustice

Each Public Justice major has the opportunity to design his or her own individualized program that best meets their needs and interests. All Public Justice students take the same five core courses, but the possible combinations of electives are limited only by each student's imagination, initiative, and schedule.

Below is a comprehensive list of courses in the College that presently are approved as Public Justice electives. Please keep in mind that not every course listed below is offered every semester.

A maximum of 54 Public Justice / Criminal Justice credits can be applied toward the 120 hours needed for graduation. Those courses listed in **GREEN** meet the advanced writing requirement for the Public Justice discipline.
