3. Open Session - Q & A
    a. Marcia - How does all the Ozfest activities going on today affect CTS? Ty – The performers have their own equipment, so there is no impact. Kris - A guest wireless account has been provided. Sean – next week is busy though with graduation.

4. Committee Updates
    a. Applications & Equipment
    b. Education
        i. John- Combined committee meetings were held. Discussed image, El Capitan, Windows 10. Images, Windows machines, faculty/staff image, ATC and Lab machines available for testing. Available until next Friday. Also discussed social media policies, will revisit in the fall. Bob Hageny gave an update on podiums and technology in the classroom.

5. ITC Report
    a. Met on 4/21 reports from Mark & Sean. Discussed ADA compliance; related to the fact that Rebecca Mushtare did a review of the C&I website, learned a lot from that analysis. Brainstormed some topics for next year. Etext, smart watches, 3D printing

b. Sean ADA compliance topic came up quite a bit over a two week span. Good discussion in the ITC group about ADA compliance in the classroom. Extended learning is working on this topic in the courses they design. Additionally, Rick Buck analyzed our website for ADA compliance and resolved issues in the upper layer pages. He is looking for systemic ways to enhance our website compliance.

6. Presentation(s)
