Installing the Panopto Recorder

After you have installed Panopto in your Blackboard course, click on the green Create button. The following menu will appear:

Click on the Record a new session option. This screen will appear:

Click on the installer for Windows or Apple. When installing the Mac version, it will ask for a server address – that is oswego.hosted.panopto.com.

You can also go to the App Store and install the recorder for the Apple iPad or iPhone.
