## https://account.subitup.com/employee

Returning staff -- The login is still your SUNY Oswego email address and your password is whatever you changed it to last semester.

For new staff -- The login for you is your SUNY Oswego email address and the initial password is *lakers*. (You will want to change this.)

Once you are logged in, you will be prompted to provide your availability. You will set the date from the date of your first class until the end of the semester in May.

You will see the following request:

## How to Set Hourly Availability

Setting up Hourly Availability will let SubltUp and your manager know day by day what times you are available to work. This availability will later be used to schedule shifts so it is important that you fill this out accurately. The examples below will give you a good idea of how to set your availability...

Example: You have class on Monday from 10:00 am to 12:30 pm, you can work before and need a 15 minute buffer to get from work to class, this means you are able to work in the mornings until 9:45 am.

1. First select "Monday" from the "Pick a Day" column on the left

Pick a Day	Set your Availability for Monday	Check your Schedule				
Sunday	Add multiple hour blocks and dates below that you can work this week.	Sunday 8/28/2012 to 12/16/2012   12:00am -				
Monday Tuesday	Date: 8/27/2012 To: 12/17/201	12:00am Monday 8/27/2012 to 12/17/2012   7:00am - 9:45am				
Wednesday Thursday	Start: 7:00 AM 💌 End: 9:45 AM 💌	Save hourly availability				
Friday	Add this for all hourly positions					

Save hourly availability

on

Once you have set all of your availability click Save hourly availability button,

the bottom of the popup screen. Once you click this button your availability will be saved and you will not be able to change it unless your manager requests new availability or you ask your manager to let you reset your availability.

If you make a mistake or need to delete an availability all you need to do is click the, 🖾, button next to the availability.

## Once you have completed your availability, you can also complete the Personal Information Section. Here you can activate text messaging, contact preferences and <u>change your</u> <u>password.</u>
