"Let's Talk" is a Counseling Center Outreach Program designed to engage students by providing informal walk-in consultations with a counselor. "Let's Talk" is considered different from counseling and is not a "clinical" service, rather it is "informal consultation" or "consultation and support." There is no formal intake, no appointments and no fees. Students are encouraged to drop by and talk about whatever is important to them. Meetings have no set time length and are one-on-one.
