Education Club

Teacher candidates and students with an interest in education are encouraged to get involved in Education Club. Group members cooperatively plan activities to benefit pre-service teachers, including informational meetings about program requirements, mock interviews, preparation of interview portfolios and resumes, and social events. This October, the Education Club will meet at the Marano Campus Center room 256 (Second floor of Poucher wing). The meeting dates for October are Monday, October 9th and Monday, October 23rd.

Sustainability Projects:

Tap In:

SUNY Oswego partnered with the Cupanion company to reduce waste by utilizing reusable rather than disposable water bottles. Water bottles and scan stickers are available at the Sustainability table every Wednesday in the Marano Campus Center corridor.

Perk Up:

The Sustainability Department extended their partnership with Cupanion to challenge SUNY Oswego students to reduce waste by utilizing reusable cups when drinking coffee.

*Pick up your water bottles or coffee cups between 9 am and 4 pm every weekday at the Sustainability office, 126A Hewitt Union. For more information, visit www.oswego.edu/sustainability

Let's Talk

"Let's Talk" is a Counseling Center Outreach Program designed to engage students by providing informal walk-in consultations with a counselor. Let's Talk is considered different from counseling and is not a clinical service. We call it "informal consultation" or "consultation and support." There is no formal intake, no appointments and no fees. Students are encouraged to drop by and talk about whatever is important to them. Meetings have no set time length and are one-on-one.

Electives to Consider

EDU 383: Teaching English Language Learners:

Teacher candidates learn effective methods and techniques for the instruction and assessment of ELLs.

EDU 210: History of Education in the U.S. Since 1865:

This course explores the development of relationships between public schools and the social, political, cultural, and economic climate of US communities since 1865. We will focus on how school conditions, curriculum, and pedagogical practice have interacted with the development of the US since the Civil War.
