

A Professional Development Opportunity For New York State Teachers

Program Philosophy

In today's schools one leader can not do it all. Educational reforms require a team approach to improving student achievement. This professional growth opportunity offers the potential for career advancement by exploring leadership practices necessary to become a teacher leader, It provides teachers and certified school personnel who already exhibit leadership tendencies to expand their skills to effectively and collaboratively lead teachers inside schools. Participants will learn researched best leadership practices from current practitioners in the field.

Who Should Participate?

- Current Teacher Leaders
- Other Non-administrative and emerging school leaders
- Potential Certificate of Advanced Studies in Educational Leadership candidates (transfer credit)
- Note: Permanent / professional certification is required for participation

Cost:

\$700

CoSer available through Jefferson-Lewis-Hamilton-Herkimer-Oneida BOCES. Cross contract is available if outside of Jefferson-Lewis...BOCES. For those wishing to self pay, payment is due by 10/11/18.
