## SUNY Oswego Facilities Services Monthly Project Update

April, 2017

100015

Project Name	SOE Dhaca III Wilher	
	SOE Phase III Wilber (Parent Project)	
Project Scope	The School Of Education, Phase-III (SOE-III) project represents the third and final phase of the renovation of Park and Wilber Halls. This will include complete renovation of the three-story, or 'Tower' section of Wilber. Previous phases included the addition of new labs on Wilber Hall (Phase-I, 2012) and the rehabilitation of Park Hall (Phase-II, 2013).  The plans include demolition and abatement of interior finishes, fixtures and partitions, as well as replacement of all major systems as the mechanical, electrical, plumbing, roof and windows within the work area are original with the exception of the first floor (limited renovation approx. ten years ago).  Reconstruction is scheduled to begin in late 2016; expected completion of the full renovation scope of work and re-occupancy is January, 2018. (MJL, 2016.05.15).
