|---|--|---|
| Project Name | Lee Hall - Window and door replacen | nent for critical maintenance |
| Project Scope | Lee Hall's exterior doors and windows are original to the building's construction and, along with the roof, will be replaced under the scope of this project. Energy efficiency, durability and lower maintenance are the primary goals of the new equipment along with careful consideration of the building's aesthetic and place in the campus architectural inventory. Design work will continue through 2016 with construction scheduled for the summer of 2017. (MJL, 2016.07.21). | |
