

## SUNY Oswego Facilities Services Monthly Project Update

February, 2018

Project #	100088
Project Name	Campus-wide Lighting Improvement for CM/Energy. Con.

Project Scope	<p>Energy use reduction across campus is a priority of the institution and Executive Order 88. Large-scale lighting improvements to replace older fixtures with new, LED units and upgraded controls can help contribute a large portion of the savings needed to meet our goals. This project will provide a plan to do just that in the Lee Hall Gymnasium, Lee Hall Pool, Laker Hall Gymnasium (Max Ziel), and the Marano Campus Center (MCC) Spine (ADA pedestrian passage). Additionally it will provide preliminary data for options to replace units in the MCC Convocation Center/Arena. (MJL, 2016.05.12)</p>
