Proposed Revisions for the UCC Course Submission Form

• Discussion with the subject liaison librarian faculty member
• Identify library resource needs – existing and new resources
  • Library resources are continually assessed and reviewed based on usage and changing needs
  • Need to determine if the Library can provide the resources needed to support the course
  • Instructional support from librarians
• Clarify the purpose of the bibliography
• Encourage consideration of open educational resources and inclusive access ebooks as textbooks

All of this, *before* the form is submitted.
Library Automation System Changes

• Radical change on the backend
  • Library staff most affected; many changes to internal library workflows

• Changes for end-users include:
  • New interface (Primo) for searching across databases, searching the library catalog, and searching for journals
  • Some changes to collection organization, borrowing periods

• SUNY-wide change
