1. **Kate Wolfe-Lyga:** The Dean of Students Office and Counseling Services Center have collaborated to bring **Mental Health First Aid (MHFA)** to our campus. Spots filled quickly but...

In the meantime, we would like to remind faculty of the resources available:

If faculty member would like to report concerning student behavior, they may do so by going to: [https://cm.maxient.com/reportingform.php?SUNYOswego&layout_id=2](https://cm.maxient.com/reportingform.php?SUNYOswego&layout_id=2)

The form may also be accessed under related links on the Dean of Students landing page.

Counseling Services is always willing to consult and support faculty in assessing a situation with a student. Please be aware that there may not be immediate follow up due to our appointment schedules, however, faculty can send or walk a student over during the crisis hours posted on our website: [https://www.oswego.edu/counseling-services/](https://www.oswego.edu/counseling-services/)

Department heads may wish to invite Counseling Services to provide professional development workshops on dealing with concerning student behaviors. Please note, due to the demand of services, these offerings must be requested at least three weeks in advance.

2. **TA policy working group call for members**

   At the 4/6/15 FA meeting we accepted the report and proposed policies from the TA Task Force. The next step, if we decide there should be one, is for APC to approve policy language. What should that policy language be? Interested in being part of the group that works that out?
