GCE A-Level examination
SUNY Oswego awards college credit to students who have completed Cambridge International General Certificate of Education (GCE A-Level) examinations at the Advanced (A) Level or Advanced Subsidiary (AS) Level. Students will submit official score reports indicating a grade of "D" or better. A grade of “D” in GCE A-Level exams is equivalent to SUNY Oswego’s grade of C. How credit is evaluated is outlined in the SUNY Oswego GCE A-Level Course Equivalencies Table. No credit will be awarded for GCE Ordinary Level examinations. GCE A-Level exams are reviewed on an as-needed basis. Equivalency information is subject to change. Students should confirm equivalencies with the General Education Director and their academic advisor.
