LTI Scoring
The American Council on the Teaching of Foreign Languages (ACTFL) proficiency scale has four levels: (Novice, Intermediate, Advanced, Superior). The first three levels are each subdivided into three sublevels (Low, Mid, and High). Novice scoring aligns with SUNY Oswego 100 level modern language credit; Intermediate scoring aligns with 200 level modern language credit.

Acceptable LTI scores eligible for credit equivalency
1. An Intermediate-Low score on the LTI oral and written exams would be required to obtain credit for FL102.
2. An Intermediate-Mid score on the LTI oral and written exams would satisfy the requirements for FL 201.

Equivalent credit transcription
1. Novice High: 3 credits for FL 101
2. Intermediate Low: 6 credits for FL 101 and 102
3. Intermediate Mid: 9 credits for FL 101, 102 and 201
4. Intermediate High: 12 credits for FL 101, 102, 201, and 202
Catalog Language:

Language Testing International (LTI) allows students to demonstrate proficiency in languages. Credit is aligned with demonstrated proficiency via writing and oral exams. Writing and oral tests are administered separately; both are required for credit equivalency. Students may be awarded up to a maximum of 12 credits based on testing outcomes.
