III. FA Chair’s Report – Lisa Glidden
   What goes through governance when?

   Letters of intent pathway – these don’t go to FA floor for a vote, but they do go through either APC or Grad Council.

   New program pathway—new programs and any changes in the delivery (modality or location) of a program go through our full governance process, including going to the FA floor.

   We are working on revising the form language for the documents on the provost’s website to help clarify the procedures.

   Faculty Assembly representatives and Council members

   If your term is up, your departments should be holding elections now for who will be FA rep and alternate in the Fall. Please email faculty.assembly@oswego.edu, or lisa.teters@oswego.edu, or lisa.glidden@oswego.edu to let us know who you reps will be in the Fall.
